GitHub: https://github.com/MrBrunotte

System developer (junior) and IT support/operations technician with good experience and great life experience. I have a keen interest in IT, Web development and Trading. I consider myself as a social and outgoing person who strives to always excel and grow, both as a person and knowledge wise. I hope that I will spark some interest and I would love to get the opportunity to introduce myself further.

1

PROFESIONELL EXPERIENCE

KI-HELPDESK (KAROLINSKA INSTITUTET)   2024-08-05 – ONGOING
Helpdesk (1st line)
- Helpdesk provides technical support for joint university IT and telephony services. We answer users' questions, rectify faults and give advice about, for example, installations and licences.
- Tools/Environments: Dynamics 365, Microsoft 365, Azure, Telia ACE
- References available upon request.

PART-TIME DAY TRADER   2007-03-01 – ONGOING
Futures trader
- Day trader on my spare time, trading Crude oil, Gold and the S&P-500 index futures.
- Tools/Environments: Price Action, Ninja trader 8, Ninja script
- This is an ongoing side project that that I have focused more on in between jobs and on evenings and weekends.

BARNEBYS GROUP AB   2023-03-01 – 2023-06-05
Technical support
- Provide overall technical support to locate and resolve customer and system issues. This included data reports, assisting the developers and customer success team with troubleshooting and technical support during live auctions. The idea with this position was to work between the developers and support to solve lighter technical matters to relieve the developers.
- Environments/tools: Skeleton (platform), SQL, Scrum, Visual Studio 2022, VSCode, Postman, Windows PowerShell, Azure portal.
- Termination/references: Probationary employment was not extended due to cost savings within Barnebys.
- Good references are available on request.

GISYS AB   2022-04-01 – 2022-09-09
Developer
- Worked on the development of an automated log analysis tool for record opening and co-development of web forms for patients and caregivers Developed primarily in the frontend but to some extent also in the backend, as well as with database management. The agile work was done in Azure DevOps Boards.
- GitHub/Working sample:
  - https://github.com/MrBrunotte/Arbetsprov-Bonus-Calculation
- Environments/Tools: C#, TypeScript, Angular, Azure Boards, SQL.
- Termination/references: Probationary employment was not extended due to reduced budget for the projects I worked on.
- Good references are available on request.

PROG-IT AB   2021-04-01 – 2022-04-01
Developer
- Maintenance and development of existing and new customers' websites, support and troubleshooting. Development of web pages from idea to launched site. Responsible for updating our Dedicated server, DNS, development and maintenance of Prog-it's website. Some backend development in WordPress.
- Environments/tools: WordPress, TypeScript, Frontend, Server, DNS, Customer relations.
- Termination/references: Initially Gisys wanted to hire me as a consultant, but I ended up as an employee at Gisys instead.
- Good references are available on request.

ATTENDO IOF   2015-04-01 – 2018-11-01
Assistant
- Treatment assistant at HVB home for unaccompanied refugee youth. Planning and integration of young people in Swedish society and supervision in the form of mentoring. Responsible for scheduling and other operational tasks, planning activities and excursions. We mainly housed young people between the ages of 14-20, both boys and girls.
- Experiences: Integration, Mentoring, Multy-cultural, Asperger's.
- Good references are available on request.

SIW **K**RAFT **F**ASTIGHETSMÄKLERI **AB**   **2014-05-01 – 2014-11-25**
Real Estate Agent
- Sale of exclusive penthouses in Stockholm city. Cost calculations, planning of raw winds for development to penthouses for associations and construction companies. as well as the sale of these penthouses in price ranges up to and over SEK 32 million, we worked in a two-person team from planning and measurement to final sale.
- Experience: Valuation of undeveloped attics, Planning, measurement and cost analysis of attics, Sales, Negotiation, Customer relations.

ERIK **O**LSSON **F**ASTIGHETSFÖRMEDLING **AB**   **2005-03-01 – 2007-08-01**
Real Estate Agent
- Sales of houses and apartments in the Stockholm area. I was a starting member of Erik Olsson Fastighetsförmedling's housing team, where we built up a specialized team that focused on house sales.
- Experience: Sales, Customer relations, Negotiation.

7/11 STORE   **2000-01-01–2003-08-31**
Franchisee
- 7/11 franchisee, where I had five employees, one of whom was a store manager who reported to me. The store was located at Birger Jarlsgatan 37 in Stockholm.
- Experience: Personnel responsibility, Scheduling, Ordering and purchasing optimization, Customer contact, Bookkeeping, Sales forecasts
